A top-down view of a herbal medicine preparation scene. In the center, a wooden mortar and pestle contains a green herb paste. To the right, a wooden bowl is filled with white, almond-like slices. Below the mortar, a single white daisy flower with a yellow center lies on a dark green, textured surface. In the upper left, there are green leaves and small yellow flowers. In the lower right, another wooden bowl contains a vibrant green liquid. The entire scene is framed by a white border, and a dark green diagonal shape cuts across the bottom left corner, containing the text.

A top-down photograph of various Indian spices. In the upper left, a small copper bowl is filled with dark brown cardamom pods. Below it, another copper bowl contains bright yellow turmeric powder, with three whole turmeric roots resting on top. To the left of the turmeric bowl, a small white dish holds more turmeric powder and two star anise pods. A single star anise pod lies on the dark blue surface in the foreground. Scattered around the bowls are small, reddish-brown seeds or spices. A decorative, golden-brown mandala-style pattern is overlaid on the left side of the image.
